NEWS RELEASE

Construction Partners, Inc. Completes Texas Acquisition

Company Adds Eight Hot-Mix Asphalt Plants in Houston Metro Area

DOTHAN, AL, October 6, 2025 – Construction Partners, Inc. (NASDAQ: ROAD) (“CPI” or the “Company”), a vertically integrated civil infrastructure company specializing in the construction and maintenance of roadways in local markets across the Sunbelt, today announced that it has acquired eight hot-mix asphalt plants and related crews and equipment operating throughout the Houston, Texas metro area from certain affiliates of Vulcan Materials Company (NYSE: VMC). The acquired operations will be part of Durwood Greene Construction Co., acquired by CPI in August 2025, further strengthening CPI’s presence and capacity in the Houston asphalt market.

Fred J. (Jule) Smith, III, the Company’s President and Chief Executive Officer, said, “Today’s acquisition significantly expands our operations in the fast-growing Houston area while reinforcing CPI’s strategy of building better markets and strategically growing our geographic footprint in Texas. With today’s transaction, we gain not only asphalt production assets but talented builders who share our commitment to safety, quality, and customer satisfaction. The addition of these eight hot-mix asphalt plants, together with their associated crews and equipment, provides our talented and experienced management team at Durwood Greene with powerful tools to increase production and better serve new and existing customers with greater geographic breadth and efficient project execution. We are excited to welcome our new crews into Durwood Greene and the CPI family of companies. The capabilities and local relationships they bring will deepen our reach, improve our flexibility, and help us better support our customers and communities throughout the high-growth Houston area.”

About Construction Partners, Inc.

Construction Partners, Inc. is a vertically integrated civil infrastructure company operating in local markets throughout the Sunbelt in Alabama, Florida, Georgia, North Carolina, Oklahoma, South Carolina, Tennessee and Texas. Supported by its hot-mix asphalt plants, aggregate facilities and liquid asphalt terminals, CPI focuses on the construction, repair and maintenance of surface infrastructure. Publicly funded projects make up the majority of its business and include local and state roadways, interstate highways, airport runways and bridges. The company also performs private sector projects that include paving and sitework for office and industrial parks, shopping centers, local businesses and residential developments.
