Item 8.01. Other Information.

On April 12, 2024, Construction Partners, Inc. (the “Company”) announced that its Board of Directors has authorized a stock repurchase program under which up to \$40 million is available to purchase shares of the Company’s outstanding Class A common stock, par value \$0.001 per share (“Class A common stock”), through September 30, 2025.

The Company intends to utilize the stock repurchase program to minimize the dilutive impact of awards granted under the Company’s equity incentive plans and to repurchase shares opportunistically. Shares of the Company’s Class A common stock may be repurchased from time to time in open market transactions at prevailing market prices, in privately negotiated transactions or by other means in accordance with federal securities laws, including Rule 10b5-1 plans. The stock repurchase program does not obligate the Company to repurchase any shares of Class A common stock, and the stock repurchase program may be modified, suspended, extended or terminated at any time by the Company’s Board of Directors. The actual timing, number and value of shares of Class A common stock repurchased will be determined by a committee of the Board of Directors at its discretion and will depend on a number of factors, including the market price of the Company’s Class A common stock, capital allocation alternatives, general market and economic conditions and other corporate considerations.
